Digital Spring Cleaning Tips

Spring is a great time to clean up your digital storage, such as your email, phone contacts, and computer files. Review the [tips below](#) to help you get your digital spring cleaning done!

- **Email** - Delete old email accounts, update your passwords, declutter your inbox, unsubscribe from email ads or junk email.
- **Phone** - Update your phone's operating system, delete duplicate or old contacts, delete unwanted apps or photos to free up storage space.
- **Computer** - Uninstall any unused software programs, organize your files and delete files no longer needed, check your security preferences.

Graduate Degree Questions

Graduate school is a commitment that requires some serious thought. If you are considering a graduate degree, take some time to reflect and answer these [three important questions](#).

- **What graduate degree do you plan to pursue and why?** You should have a clear understanding of what you want to study and why it's important to you.
- **Will a graduate degree help your career?** Do your research ahead of time to make sure that a graduate degree is the right answer for your career field and goals.
- **Are you prepared for graduate school?** Assess your home and work responsibilities to ensure that you have the time and energy required for a graduate degree program.
