## Trust Scholarship 2026 Application

The scholarship application is now open for 2026 enrollment beginning in January 2026 or after. Plan to apply for the scholarship at least four weeks before your class or program start date. Please note that your 2026 enrollment must begin after you have received an award notification from the Trust.

## Scholarship Award Timeline

The Trust will review scholarship applications and make awards on a rolling basis, with application reviews conducted every two weeks. Scholarship award decisions are typically made within one month of submitting your application. Keep in mind that if awarded, 2026 tuition payments by the Trust will not begin until January 5, 2026.

## Important Trust Scholarship Reminders

- Send your current tuition bill in PDF form to [scholarship@playerstrust.com](mailto:scholarship@playerstrust.com) as soon as it is available **and before the class is completed**. - Scholarship award recipients in **degree-seeking programs** who have used their 2025 award will be automatically renewed for 2026 for the same program only. You should have already received an email from the Trust.

## Practice Digital Mindfulness This Fall

Fall is the perfect time to reset your digital habits. Practice digital mindfulness by setting screen-time limits, muting distractions, and taking regular tech-free breaks. Staying intentional with your screen time can help you feel more focused, balanced, and present this season.
